Three Steps to Easy Composting:

1. Collect food scraps in your kitchen using a collection pail. You can also use a 5 gallon bucket or convert an old trash can into a compost collection bin. Be Creative!

NO PLASTIC OR PAPER BAGS PLEASE!

2. Empty food scraps, yard waste and other compostable material into your 65 gallon Clean Air Compost bin.

NO LINERS PLEASE!

3. Roll your Clean Air Compost tote out to the curb by 7 am on your pick up day. Please make sure that yard waste and branches fit into the bin and the lid is shut.

YES! These items CAN be composted!

- Pre-plate food scraps
- Coffee grounds & tea
- Plant trimmings
- Yard waste - grass, leaves, plant clippings (branches must fit into bin)
